A MINISTRY OF FLORENCE BAPTIST TEMPLE

A photograph of three young girls with long hair, smiling and hugging each other outdoors. They are sitting on a dark, perforated metal bench. The girl on the left is wearing a yellow shirt, the middle girl is wearing a dark blue shirt, and the girl on the right is wearing a dark blue shirt with a white shirt tied around her waist. The background is a sandy area with some dry grass.

Developing YOUR CHILD'S CHRISTIAN CHARACTER is essential TO EQUIP THEM FOR LIFE.

Florence Christian School (FCS) is an excellent place for your child to learn and grow. We strive to be distinctly Christian in every way: in the way we teach, in

our interactions with students, in our emotional support of each other, and the way we interact with our community.

At Florence Christian School, we strive for academic excellence. Because we acknowledge God's gift of education and learning, we understand that expecting our students to do their best is bringing glory to the One who created us.

It is our privilege to partner with parents in raising their children. It is a responsibility we don't take lightly, and therefore we emphasize respect, love, and gentle correction. We desire that our students love to learn and want to come to school each day, so we do our best to make FCS a warm, caring environment.

We are delighted that you've taken this step in discovering what we have to offer your student and family. We are here to help you find the best school for your child. Please call us with questions, and know our doors are open if you decide to visit. We would love to show you around our campus.

DISCOVER OUR THRIVING ACADEMIC PROGRAMS

▶ PRESCHOOL

We offer classes for 3-year-olds and 4-year-olds that meet until noon with an option for an extended session until 6 p.m. Our focus for our youngest students is to develop a love for learning. Coming to school is an exciting experience for these young children, and we provide hands-on activities and exciting projects to grow their enthusiasm.

▶ MIDDLE SCHOOL

We challenge our grade 6-8 students with a rigorous curriculum to boost their confidence as they transition to high school. By developing Christian thinkers who can withstand social pressure and stand firm in their beliefs, we are preparing them for life. Middle schoolers also participate in extracurricular activities like athletics, choir, drama, yearbook, art, and debate.

▶ HIGH SCHOOL

Florence Christian School provides an excellent college preparatory program that is biblically based for students in grades 9-12. We offer honors tracks along with dual credit opportunities through Florence Darlington Technical College and Bob Jones University. Our students graduate with a readiness that comes from a faith-developing curriculum and comprehensive academics.
