

Florence Christian School
Daily Arrival/Dismissal Plan
2021-2022 School Year

If your child needs to be dropped off earlier than the arrival time listed, they may report to the B building “Big Room” for check in. The students will remain in this location until 7:40.

If your student is tardy to school, he/she will need to report to the main office for screening and then report to class. Students will not be allowed to enter their classroom without clearance from the office.

At dismissal time, each student will report to their normal carline where social distancing will be practiced. Please be patient during dismissal times as students may be walking a longer distance to get to their car. Parents may still pick up elementary children at one location - older siblings will report to the younger sibling’s carline. However, if possible, please pick up the younger child at the designated time and park to wait for the older sibling. This will allow for better social distancing in the holding areas.

Please see the arrival and dismissal times listed below along with a map marking the designated places.
